Amanda,

In response to the disruptive effect coronavirus is having on education campuses across the United States and Canada, ReadSpeaker is providing access to our webReader and TextAid products free of charge.

ReadSpeaker is committed to online learning and fostering increased learning outcomes and hope to assist any programs that have moved to remote education as a result of COVID-19.

To receive access, please sign up by visiting one of the below pages to register your institution and to receive instructions on how to activate webReader or TextAid in your LMS or for your students (you only need to fill out one form):
